The National Spiritual Assembly of the
Bahá'ís of the Russian Federation

Dear Bahá'í Friends,

We acknowledge receipt of your email message dated 5 December 2000 regarding the individuals you have selected to represent your community at the May 2001 events in the Holy Land. You provide a list of alternatives in case some of those selected find it necessary to cancel their trip to the Bahá'í World Centre. Regrettably, it is no longer possible to replace selected individuals. In view of the complex logistics involved in arranging for the large number of friends who will be coming to the Holy Land, it was necessary that the final list of those selected be completed on time to meet the 1 November 2000 deadline. Kindly note that, although each National Spiritual Assembly could select up to 19 representatives, it is acceptable for fewer to attend the events if circumstances do not allow for total attendance.

With loving Bahá'í greetings,

Department of the Secretariat
