

**Accreditation of journalists for the opening of the Terraces,  
Bahá'í World Centre, Haifa**

Accreditation may be received in either of two ways:

- a) Through the Israel Government Press Office (GPO). This is a routine procedure, which enables those wishing to do other stories while they are in Israel. The GPO requires that journalists present the following documents to their office in Jerusalem:
  - 1. A letter of intent from an (assignment) editor
  - 2. One passport photo
  - 3. Passport
  - 4. Also helpful is a letter from the Israeli Embassy in your country.
